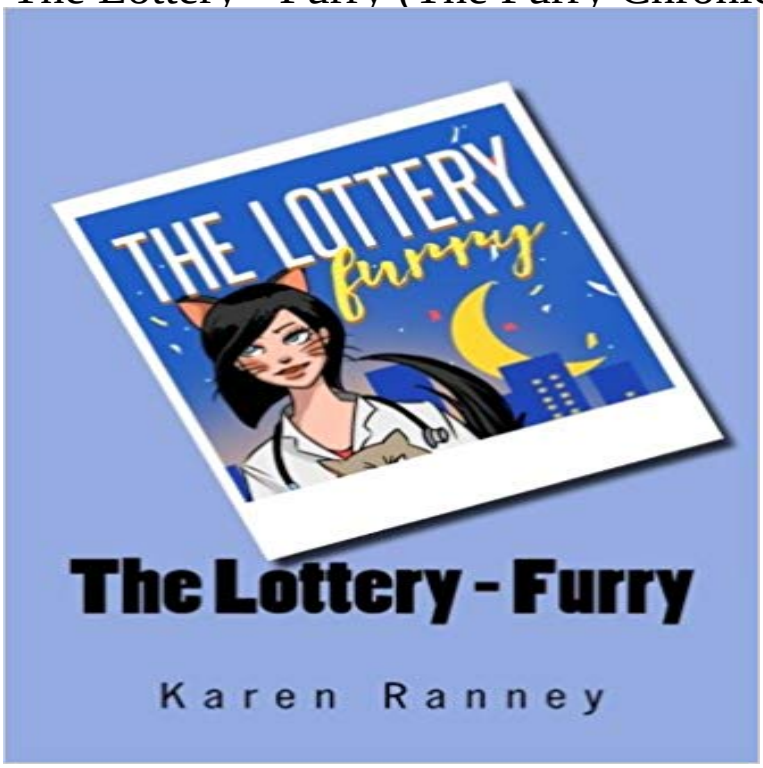
The Lottery - Furry (The Furry Chronicles) (Volume 1)



Torrance Boyd thought the rules a female Were had to obey were misogynistic and had no place in the 21st century. She chose to move away, living her life among people who had no idea she was different. However, even a Were gets homesick. Returning to San Antonio she found nothing was different...except that a childhood friend was suddenly a dog, her former boyfriend was acting like Machiavelli, and shed won the lottery that would alter her life. What was a Furry to do?
