

## The Back-Up Series (Back-Up, Front & Center, and Encore)

Rock star romance by USA Today Bestselling Author ~ A.M. Madden. Leila Marin's biggest dream is to become a rock star. A lucky opportunity has her auditioning with an up & coming rock band named Devils Lair. The band hires Leila as their back-up singer, signing her up for months in the studio and touring on the road with the sexy bunch. Jack is the quintessential rock star...gorgeous...sexy...a walking orgasm. Jack Lair is the lead singer of Devils Lair and his dreams are becoming reality as his band climbs the ladder of success. He's living the perfect life, and enjoying every minute of it. With a steady stream of sexual conquests that satisfies his raging libido, he thinks he has all he needs in life...until Leila enters it. The series takes you on their journey, as well as their band mates and friends. The Back-Up Series is a true love story, rock star style. This boxed set is NOT a standalone. The series NEEDS to be read in order. Warning: This book is meant for mature readers who are 18+. It contains explicit language, and graphic sexual content.
