

## Lucians Soul (Alphas Book 12)

Since the beginning of time, humanity has made one fatal mistake... Angels and demons are not who humans think they are. For millennia it has been up to the king of the demons, Lucian, to save humans and shifters from the horrors the angels inflict upon the world and the innocents living within it. Hes grown weary of the war and his passion for saving his charges has faded. But there is hope. It is said when the angels are close to achieving their goal, and Lucifer himself barely cares anymore, the tides will turn and love will cure all. Lucifer will find his one. His soul mate. A mate who will love him unconditionally, lending him strength and power more deadly than anyone could imagine. And now...that time has come.
