

Animate Me: a contemporary romance novel

She seemed far beyond his reach could love draw them together? For years shy animator Nathan has carried a torch for Brooke, the beautiful and dynamic Director of Development at their animation studio, even creating B-Girl, a comic-book heroine in her likeness. When a new project throws the two of them together, lovestruck Nathan finally seizes his moment only to find Arnould, head of the animation studio, claiming exclusive rights to Brooke's affections. But Nathan, it turns out, is not giving up on his dreams so easily. With inspired determination, he sets out to be the super hero of wooing his girl. Threatened by his persistence, Arnould plays dirty only to spark an uprising at the studio that unleashes the sort of havoc only a building full of frustrated animators can create. While Nathan pulls out all the stops to win his B-girl, Brooke has to choose. Should she pursue the sparkling career that has taken her years to build or follow her heart?
