

Drowning

Sensuous but stifled New York City photographer Erin Mitchell thinks going to South Africa on assignment will be the perfect getaway. But when a flash flood washes away Erin's vehicle and she is stranded at a luxury safari lodge, Erin's romantic working vacation takes an interesting turn. She awakens from her near-drowning and meets her rescuer, Nicholas, hot and brilliant, successful and caring, not at all like her abusive husband. At Leopard Rock in the steamy South African heat, Erin faces the toughest choices of her life. Nicholas is ripped, he's smart, and he's got no strings attached. To give in or not to give in drowns Erin's senses as she struggles with two impossible goals: ignore the exquisite physical charms of her host and conceal every last detail whenever her controlling husband calls. On the other side, Nicholas faces impossible choices of his own, as the bon-vivant playboy may just possibly collide with feelings more powerful than lust. Erotic. Exotic. Wild. *Drowning* sizzles in the African heat as one woman is stretched to the breaking point by the strength of her vows and the intensity of her seething primal desires.
