

Love Left Behind

Its not every day that you get to move to New York City and reinvent yourself. I was tired of being boring, predictable Emma Mills. I was convinced that my life would be totally different in the Big Apple. And I was right. Jackson Reynard was irresistible and I had no plans on resisting him. Jackson was the epitome of tall, dark, and handsome and I was more than happy to let him sweep me off my feet. I expected a summer fling but instead I got a heart-stopping romance. I realized that I had met the love of my life. I just didnt realize that sometimes love isnt enough. Its hard enough getting over an ex. Its even harder when he becomes Hollywoods next biggest heartthrob and his face is plastered on every magazine cover. But the hardest part? The hardest part is when he thrusts himself back into my life and wont let go of the past. I survived losing the man I loved the first time. I dont think Ill survive it again.
