

Flat-Out Matt

*Please note: This is not a full retelling of Flat-Out Love, but rather a companion piece with select FOL chapters, and it is meant for readers who know the story very well.*You saw geeky, damaged, loveable Matt Watkins through Julies eyes in FLAT-OUT LOVE. Now go deeper into Matts world in this FLAT-OUT MATT novella. Live his side of the story, break when his heart breaks, and fall for the unlikely hero all over again. Take an emotional skydive for two prequel chapters and seven FLAT-OUT LOVE chapters retold from his perspective, and then land with a brand-new steamy finale chapter from Julie. Authors Note: Two chapters, The Sleepover and Keep Going, contain more mature content than Flat-Out Love (Keep Going, in particular), and were written based on reader demand. They wouldnt have fit in well with the original Flat-Out Love, but given that this is a fan-driven companion piece, I think they work. While the content here is upped a bit, the scenes are tastefully done. (So, you know sorry to those who wanted lewd and graphic.) Facebook: AuthorJessicaPark
