

Wicked Ride (Wicked Horse) (Volume 4)

I think this woman may be the death of me. A dire prediction, but probably true. Probably true because shes not mine to have and Ill probably take her, even at the risk to my own safety. So many men slobbering to get a taste of her and only one, sweet, virginal girl to go around. Thats right. Shes a virgin. Looking like a porcelain china doll that would break if not handled carefully. But I also know shes stronger than she looks. Shes a contradiction. Shes most likely my downfall. Like I said, shell probably be the death of me, but its a risk Im willing to take.
