Rowe is a paranormal star. ~J.R. Ward
Calydon warrior Ian Fitzgerald refuses to die. Cursed by black magic, he has stayed alive through sheer force of will and unyielding commitment to a mission he is sworn to complete. There is only one thing that can defeat him and she has just found him. Ravaged by her own passions, tarnished angel Alice Shaw is fighting desperately for salvation before all she cares about is lost forever. Her sensual allure, and the forbidden power buried inside her, are outshone only by the burning need she awakens in Ian. Raging desire explodes between Ian and Alice, pushing them to the brink of destruction. They cannot afford to succumb, but the cord that binds them will never let them go...not until their most dreaded nightmares come true. Together, they are destined to fail.
