

The Dissolute Duke (Wellinghams Book 4)

The rumor is up and the banns are read: The Dissolute Duke has finally wed! With a name synonymous with sin and debauchery so shocking it is spoken of only in whispers, Taylen Ellesmere, Duke of Alderworth, is more surprised than anyone when he finds himself forced to marry! Before the ink is dry on the register, he turns his back on this sham of a marriage and leaves. Three years later, having barely survived the scandal, Lady Lucinda has placed one delicately shod foot back in the hallowed halls of the ton when her husband returns. He has an offer she can't refuse. And in exchange? Their wedding night!
