In New York Times bestselling author Stephanie Rowe's newest novel, a woman who has forfeited her dreams for a family finds love and hope in the arms of a rebellious cowboy. After inexplicably abandoning a championship bull riding career, Zane Stockton has become a vagabond. He lives on his motorcycle, using the open road to shield himself from the dark shadows which haunt him. He has no interest in changing, until he meets a bold, spunky woman whose hidden vulnerability awakens the protector buried inside him. Taylor Shaw's life of boardrooms and airports is her escape from her failures as a woman. When she pauses in Rogue Valley to help her best friend with her new baby, she feels wildly out of place in this rugged land of horses, endless skies, and one dangerously sensual cowboy. When the heat explodes between Taylor and Zane, they have no chance to resist the attraction between them, a fiery combustion that ruthlessly drags them from their safe worlds into the unknown realm of vulnerability, passion, and love?
