When undercover cop Natasha Roberts sets out to find her missing brother, the trail leads to a biker bar where one false move will get her killed. Taking a job as a bartender at Trailblazers, she's in over her head almost before she starts. Skip McQuade, a cop himself, isn't impressed. But when orders from his CO come down, he's forced to stick to her like Velcro in order to find out what she's doing. It doesn't take him long to realize the odds are stacked against her. Convincing her to become his partner is hard work, but when she finally agrees, he wastes no time getting in on the search.

Together, they continue the hunt while fighting the growing passion between them. Will they find her brother and stop a killer in time?
