

Christmas Knight (Heartthrob Heroes, Book 3)

Zach Endicott has nothing but his big-rig trailer behind him and the mountainous snow-covered road ahead. The holidays are finally looking up. Then he spots a stranded motorist, and against his better judgment, Zach stops to help. Accepting a ride from a stranger, especially a handsome one, is far from wise, but Tori Adams must get home in time for Christmas to see her young son, the only good that came from a failed relationship. On the road, Zach didn't expect his beautiful passenger to provide the Christmas cheer he'd been missing. At the door of her home, Tori didn't expect to welcome her rescuer inside. Now they must overcome their own painful pasts if they are to discover that love is the greatest gift of all.
