

Hollywood Confessions (Hollywood Headlines Book 3)

From New York Times, USA Today, and #1 Kindle Bestselling author Gemma Halliday... Allie Quick has high aspirations much higher than reporting on the latest celebrity gossip for the L.A. Informer, Hollywoods most notorious tabloid. But if shes going to join the ranks of the real reporters, shes going to need a headline worthy story under her belt. Which is just what she gets when the producer of the trashiest reality shows on TV winds up murdered, and Allie convinces her editor, Felix Dunn (from the High Heels Mysteries), that this story has her name written all over it. Between an aging dance-off judge, a family with sextuplets and triplets, and the star of a little person dating show, Allie has no shortage of reality stars to question. But when she finds herself falling for her prime suspect, Allies relationship with her editor is suddenly on the rocks, and her life is in danger. This is one deadline Allie cant afford to miss! The action is fast paced, the hero is delightful and the heroine is spunky and independent but smart enough to know when she needs help. RT Book Reviews Fresh, funny, and has just enough heart to balance the snark. All About Romance Gemma Hallidays witty, entertaining writing style shines through I look forward to seeing lots more as this series continues. A fun read! Fresh Fiction
