

Montana Homecoming

Her big brothers best friend Amanda Jones is less than impressed when Scott Gregory arrives at the airport to collect her on his Harley Davison. Her big brothers former best friend, Scott used to drive her mad when they were kids, and shes never forgotten about the kiss they shared when she was sixteen. Scott isnt shy with women, but he knows that Amanda is firmly out of bounds. She is the little sister of his childhood best friend, and he knows her brother wouldnt be impressed if he went there with the one girl hes been warned away from since they were teenagers. But Amanda isnt anything like the girl she used to be, and Scott has never run away from a challenge This is the second book in Sorayas Montana series
