

Romance: The Billionaire CEO

Sexy, tough billionaire playboy Jackson Windsor was the last person I expected to spend a night with... When I arrived at his remote mansion to interview him for my paper, a brutal storm struck. Next thing I knew, we were pressed together, spending a sexually tense night together in the isolated location. I wasn't supposed to fall for the smooth bastard, especially when I knew his past in so much detail. After a lustful, earth-shaking, toe-curling night of passion, he opened up and exposed his darkest secrets. If I write an article based on what he told me, I can forget about tonight ever happening again. But all good things must come to an end, right? Except our ending was one I didn't see coming. This is a stand-alone delicious contemporary romance story with mature situations. Readers should be 18 plus!
