

Immortal Rider: Lords of Deliverance, Book 2

The signs are everywhere... disastrous world events. Evil rising up, unleashed upon the innocent. The prophecies were there... but no one listened. Until now. The time has come for those who can either usher in Doomsday...or prevent it. They are here. They ride. The Four Horsemen of the Apocalypse. Arik Wagner, a soldier with the U.S. Army's paranormal unit, the R-XR, kissed a girl and liked it. And then he went to hell as punishment. Where he spent weeks being tortured... and plotting revenge. Limos, Horsewoman of the Apocalypse, isn't your average girl. She's immortal, dangerous, and her fiancé is Satan himself. In a moment of weakness, she gave in to her desire and kissed Arik, triggering her fiancé's wrath - and his claim on her. In order to save Arik, and the world, Limos must make a dangerous pact with her recently turned evil brother, Pestilence. A deal that might just cost her her soul...and her heart.
