

In Too Deep: Takedown book 1

A private island, an exclusive guest list, a hot, friendly guy who's more than willing to have that proverbial summer fling, it's the perfect getaway. Or is it? Mary Shaw works hard and plays harder. Off a difficult project that doesn't go quite according to plan, she heads off on a solitary vacation to recharge her nerves and get things together. That there's a dimpled man-candy who wants to take things up a sexy notch? Perfect bonus. But all is not what it seems, and the things that Mary seeks to escape have a way of catching up with her.
