

Kitty Goes to Washington (Kitty Norville Book 2)

Celebrity werewolf and late-night radio host Kitty Norville prefers to be heard and not seen. So when she's invited to testify at a Senate hearing on behalf of supernaturals, and her face gets plastered on national TV, she inherits a new set of friends, and enemies, including the vampire mistress of the city; an uber-hot Brazilian were-jaguar; and a Bible-thumping senator who wants to expose Kitty as a monster. Kitty quickly learns that in this city of dirty politicians and backstabbing pundits, everyone's itching for a fight.
