

When Past Meets Future: A Novella

Far into the future, two siblings are found alive on Earth a thousand years after it was abandoned. Frozen until now they are on track for a futuristic adventure into space. Sabriel and Nathaniel are twin wereleopards who are put into cryosleep during the genocide of all supernatural beings worldwide. A thousand years have passed and the captain and crew of the UNS Grisedale discover the beacon signaling the whereabouts of Sabriel and Nathaniels cryo-pods. Once rescued, they are taken onto the ship where they meet the charming captain, Marius Orenstein. From there they head out into the far reaches of space, travelling to the planet Nama in the Grand Design Spiral Galaxy we know as BX442. They are bound for love, devastation, hope, and reunions.
