

Denied (The Monster Trilogy Book 2)

Lily After Monster makes an impossible choice that throws her world into chaos, Lily finds herself back in America. Unable to allow what happened to her to go unpunished, and riddled with survivors guilt, Lily decides she needs to track down the traffickers who took her. Monster Monster has only ever wanted to keep his Flower safe, but, when he hears of her plans, he is forced to take control once more. Stepping out of his comfort zone, he vows to once more make her his captive. Denied Except Lily doesn't know the true reason for Monster making the choice that has led to her current situation, and her actions have made her the target of someone who wants a debt paid a debt that must be paid in flesh...
