

## My Misery Muse

First young love gets sidetracked by dreams that take them on two different journeys, but an unknown bond brings them back together again. Devi Porter an up-and-coming tattoo artist in Dallas is trying to live her life as best as possible, but never able to forget the love she had with Seth. Seth a bassist for the popular band My Misery Muse is struggling with his fellow band members with the lifestyle that he now lives. The band decides to go home to Dallas to work on their latest album as well as to work out their problems out from under the glare of the media. Seth and Devi meet up again and both realize they have a lot to work out between themselves as well. As they get reacquainted life and obstacles are thrown at them at every turn are they able to overcome them to become the family neither really had.
