Unlike her famous older brother Maxon, Princess Portia isnt known for killing demons or attracting admirers. The reason why is simple: a spell was cast on Portia, and the magic has marked her to one day transform into a dreaded Void demon. To fight this horrible fate, Portias spent her life hiding in libraries and learning magic. But when the Void demons threaten to destroy all the after-realms and the handsome dragon Emperor Tempest offers his help then Portia suspects that her future holds more than just a demonic metamorphosis. Fate is calling the bookworm princess onto the battlefield, and its a fight against both deadly enemies and her hearts desires. Need to catch up? THE ANGELBOUND ORGINS SERIES 1. ANGELBOUND 2.
