

Power and Persuasion: How to Command Success in Business and Your Personal Life (Agora Series)

Over these many years of watching Michael devour books on leadership, ask probing questions of all manner of leaders, and write his daily insights, I see now where it has all led to a magnificent new book on leadership. If you are passionate about becoming a more effective leader, do yourself a favor and read Power and Persuasion. Steve Leveen, CEO and Cofounder, Levensinger Michael Masterson's new book emphasizes vision and effective communication, and, although unconventional at times, his ideas about leadership are unassailable and will be more widely employed. I have made it required reading for everyone at Frank McKinney & Company. Frank McKinney, bestselling author of Frank McKinney's Maverick Approach to Real Estate Success and Make It BIG! I ghostwrote a book on leadership for which I personally interviewed 100 CEOs, many from big-name Fortune 500 companies and leading national brands. But I learned more about leadership by reading Michael Masterson's new book Power and Persuasion than I did from all my interviews with those 100 CEOs combined. Bob Bly, author of more than 60 books and Director of the Center for Technical Communications
