

Precious Consequences

All it took was one night to change the rest of my life. One night that created irrevocable consequences. But some consequences aren't all bad. They can be amazing beautiful Precious. I willingly accepted those consequences and wrote a new plan for my life. But that plan didn't include Cameron Argent the sexy-as-sin tattooed playboy who got under my skin the moment I laid eyes on him. I was headed down a dark and dangerous road where he was concerned and in the end, our relationship was inevitable. Despite our dark secrets, our feelings for each other burned brighter than a thousand stars and left us both naked, vulnerable. But when my past came rolling back into my life like a Summer storm, I wasn't sure if his love for me was enough. Was he prepared to deal with the consequences of a past I couldn't regret or would he walk away with my beating heart in his hands? (This is a New Adult Contemporary Romance novel & contains language & adult situations. Not recommended for readers younger than 17)
