

## Secret of the Wolf (Warriors of the Rift)

Warriors of the Rift Once a generation, the rift between the paranormal world and the human world opens, allowing supernatural entities to cross. Vampire, demon, or shapeshifter, they can save the world-or send it spiraling into chaos. As a werewolf liaison to the Council of Preternaturals, Tori Joseph is used to straddling the world between humans and immortals. She plays by the rules and always delivers justice, no matter the cost. But after a string of increasingly brutal attacks results in humans turning into werewolves, Tori doesn't reveal her horrifying suspicion: Someone very close to her might be responsible. Investigating the paranormal violence, no-nonsense detective Dante MacMillan believes Tori is hiding something. His search for the truth draws him into greater danger as he gets closer to the dark realm of the immortals-and to the sexy werewolf who stirs his primal lust. Now with evil closing in around them, Dante must convince Tori to trust him ... before her deadly secret destroys them both.
