

Bound: A Stepbrother Romance

Sometimes the only one you need is the one you shouldn't want. Bound, blindfolded, and willing. That's how I want her. When I caught her going through my things—black cord, cuffs, more—I almost took her right there. But I can't. She's off-limits. We might not have grown up together, but our parents are married. She might be my stepsister, but no matter how hard I try, I can't walk away. He's everything I want—handsome, assertive, sexy as hell. The only catch? He's my stepbrother. I should say no. Run as fast as my prim little feet can go. But I'm tired of being the good girl. I want it dirty and wicked. Tied and blindfolded and at his mercy. He's the only man who can set me free. Reader Note: This steamy, standalone novella was previously published as Step Bound under a different name. It contains mature situations intended for adult audiences only. Cliffhanger free!
