

The Christmas Bouquet: Bayside Retreat (A Chesapeake Shores Novel)

When it comes to family and Christmas, #1 New York Times bestselling author Sherryl Woods always looks to the OBriens for a little holiday magic. For the very driven medical student Caitlyn Winters, catching the bridal bouquet at a Christmas wedding has set off a chain reaction that she's sure is more curse than blessing. Not only has she fallen in love with family medicine resident Noah McIlroy, but an unexpected pregnancy threatens her well-laid plans for the future. It doesn't help that Noah, with a whole lot of help from Caitlyn's O'Brien relatives, is completely on board with the prospect of marriage and happily-ever-after. It takes a whole lot of patience, love and family persuasion to help Caitlyn realize that she can still have everything she ever wanted, including a home in her beloved Chesapeake Shores and a man who understands all her dreams.
