

# The Collectors Society Encyclopedia

CLASSIFIED MATERIAL If you are reading this dossier, you have been granted Level Three clearance within the Collectors Society. Included in these pages are snippets from multiple key agent files as well as those on persons of interest. Please keep in mind that this compendium is considered highly sensitive and is illegal to share with anyone outside of your clearance. It is not to be removed from the Institute. Happy reading! -The Librarian

For those previously introduced to the mysterious Collectors Society and their mission, eager to discover more, The Collectors Society Encyclopedia is the perfect full-color companion piece to the series. Within are detailed entries elaborating upon the various agents and employees as well as the key villains suspected of targeting and destroying Timelines. Backstories, relationships, secrets, and clues are revealed alongside a thorough bibliography of important Timelines and their designations. Profiles are also included of the Institute in New York City as well as Wonderland. Society fans and lovers of classic literature will undoubtedly delight in unraveling the secrets that lay within these pages.
