

The M.D. Courts His Nurse (Matched in Montana)

Whoa! New nurse Rebecca O'Reilly had Dr. John Saville's thoughts straying into uncharted territory. This female wildcat had obviously been wounded by romance—she protected her frayed heart with a sharp tongue. John suspected her saucy defiance also guarded a secret innocence—and a wanton longing to know true womanhood. John could take no chances with Rebecca's emotions—an invitation to sensual fulfillment required an iron-clad commitment. Would the handsome M.D. resist the ultimate temptation and preserve his bachelorhood—or fold under the weight of his desire and claim Rebecca as his woman now...and forever?
