

Delicious Regency by Ruby Royce - Volume 1&2: An Apple Pie For A Duke & Red Wine For Miss Parker

LOOKING FOR HAUGHTY DUKES AND NAKED PRINCES? STOP HERE! This book contains the first two volumes of Ruby Royces Delicious Regency series. They are available for Kindle seperately. An Apple Pie for a Duke When Dominic St.Yves, His Grace the Duke of Surrey, encounters The Honourable Eugenia Cartwright for the very first time, she is drunk, dressed like a man, begs him to devour her and vows (on another mans life!) to become his lawful wife. Too bad Eugenia does not know that Dominic is actually present, hiding in a hayloft above her. The duke is fascinated! The duke is outraged! The duke is... falling in love? But how dare she feed apple pie to his favourite stallion? And who is the mysterious Mr. Wimple? When The Honourable Eugenia Cartwright is assaulted by the very uncivil Duke of Surrey in a London bookshop during her first season, she is stunned into silence. This man has been the hero of her girlish fantasies for the past five years, ever since he had threatened to shoot her dreadful cousin! Has he come to finally devour her? But why is he purring? And why cant she breathe? Red Wine for Miss Parker In the second book, Flora Parker is the star of the episode. Hardly can she know what awaits her when she joins Eugenia and Dominic St. Yves on their trip to Italy. Not only do they receive a rather knee-break visit by the notorious Lords Lackerby and Darlington (a fact which causes turmoil in the heart of some of the castle residents) but then there is this impossibly handsome Italian Prince who lives just across the lake from the Surreys Italian castle and who happens to be the Dukes unloved cousin! Only one thing is sure: There will be blood! And Mr. Wimple.
