

Risk (Gentry Boys)

Id seen enough of Creedence Gentry to know he might be the worst thing I could do. Yet one lustful glance from him scrambled all my sanity. My life hasnt been uneventful, and a few things should have sunk in by now. Im a tired age-21 with a laundry list of heartbreaks. Most of all I know what carnage comes from carelessly risking the heart. So what drives me to jump into bed with a brooding player who can barely carry a conversation? It was supposed to be just one night. One night of weakness, of passion, of every impulse Id struggled to contain. Yet I cant stop myself from going back for more.... Violence had always found us Gentrys, but this time Id put the price on my own head. It was my cross to bear. No flinching allowed. There was only room for me, my brothers, and the resolve to survive. Thats all there ever had been. There was certainly no reason for more than a quick and dirty time with any girl, no matter how much she turned my head around. I shouldnt hold on to her for more than a few hours. I shouldnt even think about it. This thing could finish us both. It doesnt matter. Shes all I want....
